

City of Shreveport Proposition  
(Sales Tax Renewal)

Shall the City of Shreveport, State of Louisiana (the "City"), under the provisions of La. R.S. 47:338.16 and other constitutional and statutory authority supplemental thereto, be authorized to levy and collect, and adopt an ordinance providing for such levy and collection, a renewal tax of one-fourth of one percent (1/4%) (the "Tax"), upon the sale at retail, the use, the lease or rental, the consumption, and the storage for use or consumption of tangible personal property and on sales of services, (an estimated \$10,832,000 for an entire year, with adjustments depending upon the fluctuation of annual budgets), and with such avails or proceeds of the Tax (after paying the reasonable and necessary costs and expenses of collecting and administering the Tax) will be dedicated and used solely and exclusively for salaries, benefits, equipment and personnel for the Police and Fire Departments of the City of Shreveport, given that the passage and renewal of this tax at the November 2016 election will eliminate that need to call the tax for future elections as it will exist in perpetuity and have an effective date of January 1, 2018?
