

# November 2, 2010

The March 2010 elections included a special election for Justice of the Peace, Ward 3 (Blanchard District) to fill the vacancy left by the resignation of Honorable James H. “Jim” Foshee.

The May 2010 election included the run-off for the Justice of the Peace seat as well as three propositions from the Parish Commission.

During the Fall 2010 election cycle, Louisiana had party primaries for its federal elections for U.S. Senate and U.S. Congress. These were “party specific” primaries where Democrats could only vote on the Democratic candidates and Republicans could only vote on the Republican candidates. Libertarian candidates also ran in a party specific primary in the August 2010 election. Any candidate filing as a “no party” or “other party” was eligible to run only in the general election in November 2010.

The local and state elections were open primary elections where all candidates regardless of party appeared on the October 2010 ballot. The top two vote-getters in October, regardless of party affiliation, faced each other in the November general election; however, if a candidate received 50% of the vote plus one vote in October's election, there was not a run-off in the November general election.

There was a special election for Lieutenant Governor in October and November 2010 due to the election of Lieutenant Governor Mitch Landrieu as Mayor of New Orleans.

There was also a special election for Louisiana House of Representatives, District #5 in the October 2010 primary election. There was no need for a run-off election for this office in the November general election.

The October 2010 ballot also included two Constitutional Amendments and one proposition for Fire District #6.

The November 2010 ballot included ten Constitutional Amendments.

Unless otherwise noted, charts show only the Caddo Parish portion of results.
